

“Seeding the Neighborhood” Webinar Resources

General urban ag resources

- ChangeLab Solutions urban ag resources mentioned during the webinar:
 - o Seeding the City: Land use policies to promote urban agriculture
<http://changelabsolutions.org/publications/seeding-city>
 - o Dig, Eat, and Be Healthy: A guide to growing food on public property
<http://changelabsolutions.org/publications/dig-eat-be-healthy>
 - o Ground Rules: A legal toolkit for community gardens
<http://changelabsolutions.org/publications/ground-rules>
 - o Playing Smart: A national joint use toolkit
<http://changelabsolutions.org/publications/playing-smart>
- PolicyLink’s Equitable Development Toolkit on Urban Agriculture:
<http://www.policylink.org/find-resources/library/urban-agriculture>
- Mendocino Gardens Project Flickr page: www.flickr.com/photos/30744981@N02/sets/

SNAP and gardens

- SNAP Gardens has more information about how SNAP recipients can use their benefits to purchase seeds: www.snapgardens.org

Local resources

- International Rescue Committee’s “Starting a Community Garden” page has information on what to consider when creating a garden in San Diego: <http://www.rescue.org/us-program/us-san-diego-ca/starting-community-garden>
- San Diego Childhood Obesity Initiative’s “Healthy Works School Gardens” page has resources to support creating school-community shared use gardens, including sample agreements:
<http://www.ourcommunityourkids.org/domains--committees/schools-and-after-school/healthy-works-school-gardens.aspx#SC Gardens>
