

# I Pledge Allegiance to My Health

This pledge can be read daily at school or at home with your family to remind you of all the ways to take care of your body!

I pledge allegiance to my health,  
to not compare myself to anyone else.  
With fruits and vegetables I'll fill my tray  
and get nice and sweaty every day.  
I have only this body and this one heart  
so today's the day I'm going to start  
eating less chips and less sugary drinks  
and before I eat I'm going to think!

\_\_\_\_\_  
Name

Blueberries

Berries grow on a bush.

## Berries

### Nutrition Facts

NDB No: 09050	

- A ½ cup of blueberries is a rich source of phytochemicals.
- Colonists learned from Native Americans how to gather blueberries, dry them under the summer sun, and store them for winter.
- Berries are used to make jellies, jams, and sauces like strawberry jam and cranberry sauce.
- There are four colors of raspberries: gold, black, purple, and red.

■ Where do strawberries come from? Visit: <http://bit.ly/V6dJYn>

See the *Cottage Crunch Berries* recipe in *Tasting Trios*.

■ Write one thing you learned about strawberries from the video.

# Choose MyPlate to help make healthy food choices!

MyPlate helps you see what a healthy plate looks like. We need to be sure to pick foods from each group every day. It is important to eat different foods every day to make sure you get all the nutrients your body needs to stay healthy.

- Write the name of the foods below in the correct food group. If you are unsure about which food group a food belongs to, refer to page 3.

Cheese

Beans

Tomato

Egg

Raisins

Yogurt

Radish

Blue-berries

Orange

Tortilla

Lowfat (1%) Milk

Cereal

Carrots

Peanut Butter

Bread

Fruits

Grains

Protein

Vegetables

Dairy
