I pledge allegiance to my health,
to not compare myself to anyone else.
With fruits and vegetables I’ll fill my tray
and get nice and sweaty every day.
I have only this body and this one heart
so today’s the day I’m going to start
eating less chips and less sugary drinks
and before I eat I’m going to think!

Name

I Pledge Allegiance to My Health created by
Mandy Richardson, Teacher on Special Assignment
Network for a Healthy California-Hawthorne School District
Peas grow in a pod. The pods grow on a bush or a vine.

Peas have protein.

Protein helps your muscles stay strong.

Peas can go in the protein, vegetable, or fruit group.

Read the sentence and write the sentence below it.

Peas have protein.
Power Up Your Day with Breakfast!

Eating breakfast every morning is the smart thing to do. Breakfast is the most important meal of the day. It helps “power up” your body so you have the energy to do the physical activities you love. Did you know that eating breakfast can also help you do better in school? Circle all the foods that can be part of a healthy breakfast. Put an “X” through the less healthy breakfast choices.

Draw a picture of a healthy breakfast. Use the Foods Found in MyPlate on the next page to help you.
Foods Found in MyPlate
