

# Live Well Community Market Program

The *Live Well Community Market Program* is run by UC San Diego ACTRI Center for Community Health and is a project of the County of San Diego Health & Human Services Agency. You might be familiar with *Live Well San Diego*.

We're happy to offer you **FREE** business assistance to help your market/store become a **healthier place for your customers to shop**. We look forward to working with you!

Please complete your contact information below. Your signature means you acknowledge our assistance is free to you and you agree to participate in the program. **Participation requires regular meetings and communication** (minimum of 2x/month either in-person at your market or by phone) **and agreeing to work towards healthy changes**.
